PRESS RELEASE

New Park Equestrian Event Announcement

New Park Equestrian Events is delighted to announce the start of their 2010 programme here at New Park in the heart of the New Forest. The feedback given from those who attended in 2009 has been quite overwhelming and very encouraging for the organisers. The whole aim of these events is to help cultivate the budding partnerships of horse and rider, and the stewards and judges are picked especially for their expertise in giving advice and assistance in preparing these competitors to work towards becoming the equestrian stars of the future at County Shows and beyond. Such assistance is impossible to provide during a large County Show.

There will be a variety of events taking place in 2010 please follow the link to our website for further information www.newforestshow.co.uk then click on New Park Equestrian.

The first event for this year will be a Show to be held on Sunday 18th April 2010. There will something for everyone.

For further information contact the Show office on 01590 622400. Closing date for this Show is Monday 12th April 2010 for Showing & Jumping classes and Friday 9th April 2010 for Dressage/Performance classes.
